\*\*State Medicaid rules will be followed for replacement of dentures, crowns, implants, etc.

\*\*\*Dental services provided through a voucher program will be charged the flat fee listed without any supply charges added. Voucher services, in general, will be limited to the listed formulary and not exceed \$350/calendar year. Needed services above the \$350 threshold will be addressed by management on a case by case basis.

As of 5/1/24
