

WYOLA SCHOOL DISTRICT #29 AND ONE HEALTH ARE PARTNERING TO BRING HEALTHCARE SERVICES TO YOUR STUDENT'S SCHOOL!

## PROGRAM HIGHLIGHTS:

- Behavioral and Medical Healthcare virtual visits!
- Services at school help students stay at school!
- Students have access to mental health providers.
- For the future, we are working toward in-person, on-site services as well!

To schedule an appointment or learn more about healthcare services available at your student's school contact a liaison today located in the school or visit our website!
